Sealers

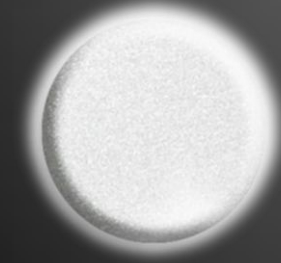

Opaque

- Gives a matte, natural look to the nail.

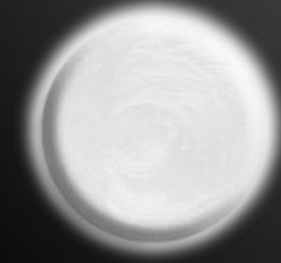

Blush

- Gives a very light pink opacity to the nail. May be used to tone down a bright white nail.

Frost

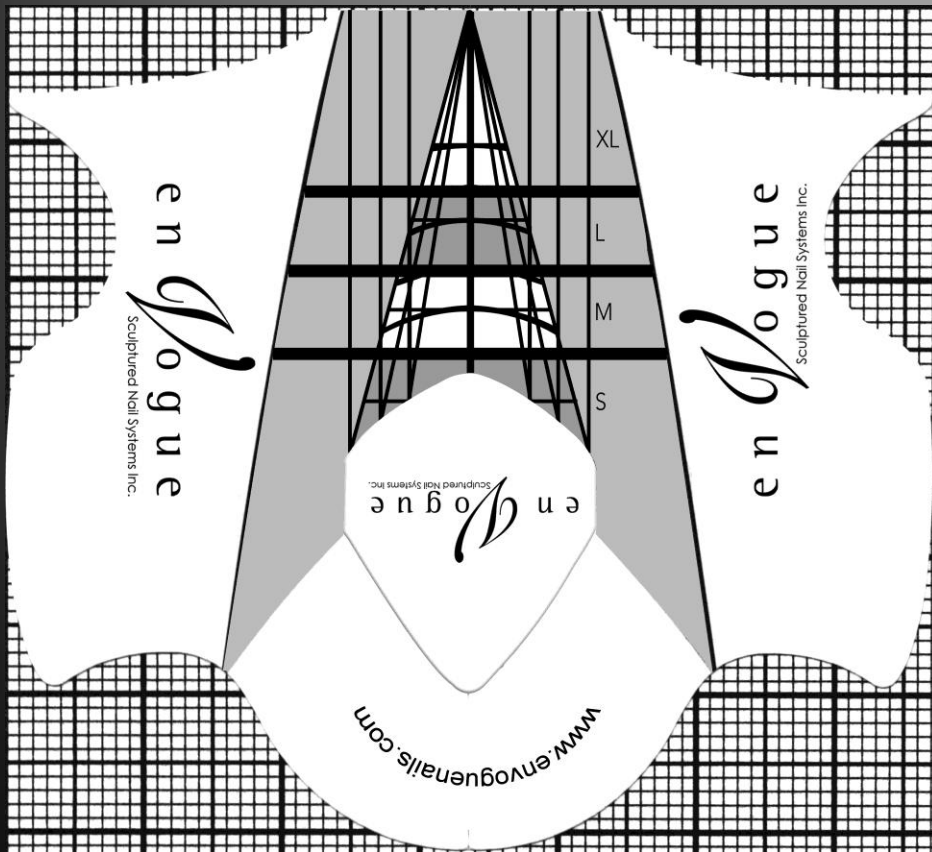

- Adds a little extra glitz to the finished nail. Can be added change to the colour of a finished nail with the shine.

Pearl

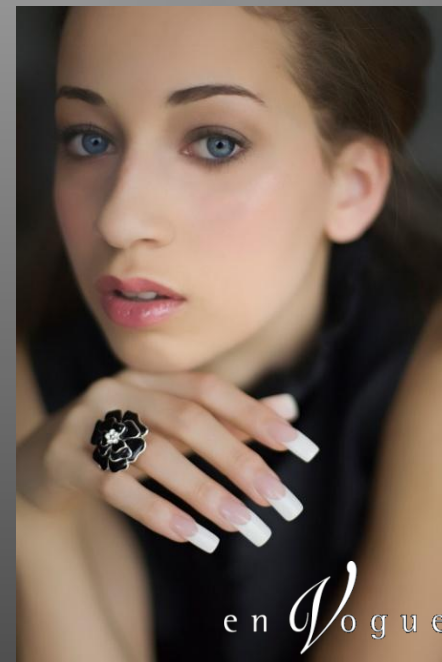

- Adds elegance to any set of nails.

Specialty Forms

- Special design
- Stronger material
- Dermatologically certified adhesive
- Ability to sculpt a square, squoval or stiletto shape nail
- Larger tabs create a beautiful c-curve
